ABOUT ME

Aspiring React Front-End Developer with hands-on project experience and a passion for user-focused design. Transitioned from a non-tech background with a strong drive to build responsive, modern web applications. Eager to contribute my skills and grow in a dynamic team environment—seeking an opportunity to begin my professional journey in front-end development.

SKILLS

- **Languages:** JavaScript (ES6+), HTML5, CSS3
- **Frameworks/Libraries:** React.js, Mantine UI
- **Tools:** Git, GitHub, npm, VS Code, Chrome DevTools
- **Certification:** React JS Course — Scaler
- **Other:** State Management, API integration, Component-Based Design, Responsive UI

PROJECTS

- **Calculator using Mantine UI:**
  Built a responsive calculator with Mantine UI, featuring modern theming, reusable components and keyboard support for smooth user interactions.

- **Portfolio Website:**
  Developed a personal portfolio using React.js to showcase projects, skills, and contact information with smooth navigation and responsive design.

- **Pokémon Finder using Mantine UI:**
  Built a React.js app with Mantine UI to search, filter, and view Pokémon details in a clean, responsive interface with API integration for dynamic data.
